Hello my name is Mark and I am 10 years old, I go to St James R.C Primary School in Petts wood, England. Our School is linked up to CAFOD a charity, also they have given us the opportunity for year 6 to write to you.

Surprisingly I like cricket but on the other hand I prefer rugby and football. However I play football but that's my opinion. I live in a family of 5: Kind mum; fun brother; sleepy dad and my grumpy sister.

R.C stands for Roman Catholic, so I go to a catholic church and school. I have quite a lot of friends nevertheless I have 3 really good friends, Luke, Cameron, and Marcus. I have quite a few dreams for when I'm older, a boxer, a tennis player, an artist or a T.V presenter.

It's been really good writing  
to you and it would be great  
if you wrote back however it  
would be fine if you can't  
though. Also I hope this gets to  
you before christmas so I can  
say Merry Christmas and a  
Happy New Year.

From

Mark.
