Hello my name is Jonathon. I am ten years old and me and yellow classmates would like to write to you as we have seen some of your letters. I live in Chislehurst which is as a small town in Southeast London.

My ambition in life is to become an inventor. However I have got a sew backup jobs such as a film director or a sailor. My inspiration for this is that when I was just 3 years old I was inexplicably fortunate. I was allowed on the ship!

My school is called St. James, a small school in Petts Wood - a town by Chislehurst and it is a one hours walk away! My parish is St. Swithens, a Roman Catholic Church, in Bromley. It is a lovely local Church and our Priest is called Father Bob.

I have many hobbies from Tai-Kwon-do all the way to a model collector. Every Friday from 6pm to 7pm I am at Tai-Kwon-do lessons and at the weekend I am working on my model railway. As I am very enthusiastic when it comes to world war two I build models of the planes.

What are your favorite hobbies? What is it like in

Bangladesh? I hope you and your family are all well and PLEASE write back soon!

From Jonathan

Hello I'm Olivia, I live in Chislehurst.
 My church is linked with your town, I'm a catholic and am 11.
 It's coming ~~etc~~ up to Christmas and I'm so thankful I can spend it with my family. My dad will cook beef my sister and I will help. As always mum will be working. We had a leak in the floor, so will we have heating on Christmas? It depends if we repair it fast then but our chances of that are slim.

When I'm older I want to be a cook. I want to study for Alevel, cooking. Also I want everyone to be happy on Christmas day. finally my Grandad has outsimers were your memory slowly deteriorated for exampel: He **LOVES** snooker but the other day he said "whas this thing." Normaly he is mezmized by such fun.

Our school uniform is Very Virbrant. My best friends Luce, Cameron, Ellen and abbie are the best friends you could ever have! Despite the fact your so far away I would love you to be my friend.
