

Would you like to plant a tree as part of LiveSimply?

The second Principle of LiveSimply is to Live Sustainably. One of the actions St James' proposed to CAFOD was to encourage parishioners to take part in a tree planting initiative. You may like to commemorate a sacrament such as the baptism of a child, confirmation or a marriage. You may wish to remember a deceased relative or friend, or simply buy someone a gift which will last for a century or two.

The LiveSimply Group has investigated various national tree planting schemes and is now offering you the chance of buying a tree or trees. Each tree we register will go into our tally so we can show CAFOD that we carried out our promise. You will get a certificate with your chosen words of dedication, and in one of the schemes the chance to plant your own tree.

You can choose one of these planting schemes, with the cost for one tree shown:

The National Forest	£25	(optional self-planting)
The Caledonian Forest	£15	
The Woodland Trust	£15	

Each tree comes with a certificate and samples are shown on the accompanying pages. You will also receive a leaflet or booklet about the scheme. If you would like to take part in this LiveSimply initiative then please complete the form below and return it to Fr Bryan, or email the details to:

The National Forest is a new wooded landscape for the nation across 200 square miles at the very heart of England.
By planting trees you are contributing to one of the boldest environmental initiatives in the country.

More details at: <http://www.nationalforest.org/sponsor/plantatree/>

But we would really like you to order through the LiveSimply team so we make it a community effort as well as providing CAFOD with auditing information.
